

# How to Schedule a Speaker

To schedule a speaker or to request a tabling event with several Umbrella representatives, you may submit a request a speaker or a tabling event on the Partners in Giving Website at <https://giving.wi.gov/volunteers-chairs/request-an-event/>. If you have questions for specific Umbrellas or would prefer to speak with an Umbrella Representative directly about scheduling a charity speaker, please reach out to any of the umbrella representatives below.

The Speaker List provides umbrella/charity representatives to speak at departmental meetings and special events. All speakers are trained to provide a brief (10 – 15 minute) presentation that discusses the campaign in general and provides examples of how employee pledges impact our community.

If you have questions about a special event or the process for requesting speakers or tabling event, contact Kristi Heming, Special Events committee chair [heming@chem.wisc.edu](mailto:heming@chem.wisc.edu) 608-262-6815.
