Hello Volunteer Chairs and Coordinators!

Congratulations on making it through the first two weeks of the 2015 Partners in Giving Campaign!

Many have wrapped up successful kick off events and are now actively engaged in distributing and collecting pledge forms, planning special events, and talking to workers about the Campaign, its participating charities, and their goals.

Quick statements to share with potential donors:

- **NO** amount is too small! You can **Give a Little, and Change a Lot** - Thanks to the collective strength of so many employees, it pays off.
- **Donate to the charity of your choice!** There are 500 plus to choose

from. Find one or more that you like!

- **It's easy and painless** - most donors do it by automatic payroll contribution. (About **70%** choose to pay this way!)
- **Every dollar counts!** If someone wishes to participate by turning in a pledge form but doesn't have much to give, even a dollar bill or \$5 or \$10 attached to a form means that person will be counted as a direct donor and toward the goal of growing participation by **5%**.
- **Donating items/food., etc., for a special events** helps the Campaign, too. Events raise Campaign awareness, and "general contributions" go to the "Umbrella" groups for dispersal to their charities. Every campaign needs donated items, so you can encourage employees to help that way as well.

DON'T FORGET TO SHARE your event news and/or photos on **Facebook** under groups - **Partners in Giving volunteers**, or send photos, tips, updates on events, and questions to linda.eggert@wisconsin.gov with the subject line: **newsletter** to get them in the newsletter.
