*Greetings fellow Volunteer Chairs and Coordinators!*

**We are now on the last leg of our 2015 Partners in Giving Campaign journey!  
Congratulations on all your accomplishments so far !**

A tremendous amount of activity across state agencies and UW campus is taking place. All manner of special events and fundraising activities are generating dollars for the charities involved in the 2015 Partners in Giving Campaign, the

largest workplace fundraising effort in Dane County.

Overall, donations are bit behind what they were at the same time last year. But, more pledges are coming in as we speak and there is plenty of time to meet our goal!

With the help of similar goal-setting at each agency, UW school or department, the Partners in Giving is aiming for a total **5% increase in pledge donors**. **Last year**, the state employee combined campaign in Dane County raised an astounding **\$2.58 million for over 500** charitable groups. Let's keep the momentum going to do the same this year!

**Check out the Tipsheet below** to see **photos and ideas** from your fellow volunteers. And find out how volunteers can be nominated for an award!

### **\$\$\$ Update:**

**Through Nov. 12**, Partners in Giving has collected **over \$790,000** in pledge donations through the paper form or online! This is the most up to date total.

**Click on the [2015 Campaign news](#) below** to get the donor picture and breakdown for each state or UW unit and a comparison to last year at this time. Note - these totals are as of **Nov. 4** and **lag behind** each agency/department's 'true' totals.

### ***Give a little, Change a Lot!***

- **No** amount is too small.
- Donors **choose their charity**.
- Cash, check, credit card, payroll deduction - **it's easy!**
- Even **a dollar, \$5, or \$10** onetime or per pay period **helps!**
