WELCOME CHAIRS

TO THE 2017 PARTNERS IN GIVING CAMPAIGN!

The Secretary of the WI Dept. of Administration Scott Neitzel (front right) and Co-Chair of the Partners in Giving Board Greg Zalesak (backrow left) post with some of the scores of volunteers recognized last March for their contributions to the 2016 Partners in Giving Campaign. It raised over \$2.5 million for 500 charities.

Welcome Chairs! We are thrilled to have you aboard as we begin the implementation of the **2017 Partners in Giving Campaign**. The theme of this year's campaign is "**Let's Build a Better World Together**". Come this fall, hundreds of volunteers at state agencies, University departments and UW Health offices in Dane County will roll up their sleeves to help host a workplace fundraising event for state employees and raise millions of dollars for hundreds of charities.

The Partners in Giving Chairs, like you, are critical to the success of the Campaign. You are the backbone of the charity effort. In short, Partners in Giving simply doesn't exist without you! Chairs help their employee volunteer coordinators implement individual Partners in Giving agency or department campaigns, coordinate pledge forms and information about the options for donating to the charities, and host all kinds of special events.

That's why we thank you for joining us and remind you **all Chairs are invited to a special Chairs Orientation and Luncheon at Union South on Aug. 22!** You should have received an invite from Partners in Giving already - just check your email. If you have not, contact [Tammy Kuhn Martin or Lindsay Johnson with the Training Committee](#) and they will send you an invite!

Also remember: **Training sessions for your Coordinators are scheduled for September! Click on [Chairs and Coordinators/Training](#)** for all the specific dates available to your folks **all through the month of September!** Once your Team is in place, please make sure they go to one of these training sessions for the latest updates and information on the overall Campaign, tips and fun, creative ideas to ensure success at their workplace!

Stay tuned for more e-newsletters throughout the Campaign. Please send in your information on events, tips and photos for posting on this newsletter so we can share your ideas and innovation with the rest of the volunteers. Send to the contact listed at the end of this newsletter.

See you soon at the **Chairs Orientation and Luncheon Aug. 22!** And together, **Let's Build a Better World!**
