

Two Great Ways to Give Through Partners in Giving

Special Event Fundraisers

Raise awareness for the Partners in Giving Campaign

Keeps the campaign fun and engaging

Make up less than 5% of total Partners in Giving Contributions

Special Event dollars cannot be designated to specific charities and are given as a general contribution

Special Events are an opportunity to educate employees on the opportunity to make a pledge, and do not count towards Agency or Department Participation total

Employee Pledging

Allows employees to easily give a charitable gift through payroll deduction, check, or credit card

Gives employees over 500 charities to choose from that have been reviewed by the State

Makes up 95% of Partners in Giving annual Contributions

Gifts get distributed to charities exactly how you choose, or you may give a general contribution.

Each employee pledge counts towards Agency or Department participation total
