PARTNERS IN GIVING: CARING FOR 50 YEARS

Back in 1973, Americans were watching TV shows like M*A*S*H*, eating Hamburger Helper, wearing bellbottoms and clogs, and paying 39 cents for a gallon of gasoline. The Senate Watergate hearings were being televised, and Magnetic Resonance Imaging (MRI) and the first handheld mobile phone were invented.

But five decades ago, another key event occurred right here in Dane County. A new partnership was formed between the employees at Wisconsin's state agencies and the University of Wisconsin. Seeing a need in their community and others, the employees decided to create an annual workplace fundraising campaign for charity. The group was called the State Employees Combined Campaign of Dane County, and is now known as Partners in Giving.

50 years later, with the addition of UW Health employees, Partners in Giving is stronger than ever. In fact, Partners in Giving is a nationally recognized fundraising campaign, raising millions of dollars each year for over 500 charities. Since the group was created, hundreds of thousands of employees have raised over $85 million for local, state, national and international charities!

Caring for 50 years: it's the legacy of Partners in Giving and the employees who created and support its mission. This year, Partners in Giving is celebrating its 50th anniversary and the positive impacts the campaign has had on people and places around the world.

Starting October 10, Partners in Giving invites you to be a part of that legacy. Be a Partner in Giving and help continue the tradition of caring about people. Last year alone, 4,000 state and UW employees donated over $2 million to their favorite charities.

Donating through Partners in Giving, a volunteer-run campaign with low administrative costs, is incredibly easy! Employees choose their charities and payment method, which includes the option of payroll deduction.

To find a charity, go to the Partners in Giving website giving.wi.gov and review this year’s list of 500 charities, all of which met strict eligibility requirements and were approved by the state. Or, if you prefer, review the paper booklet charity list available at your workplace.

Once you've chosen your charities, simply go online at giving.wi.gov and click the DONATE button, or fill out a pledge form and email or mail it in.

Partners in Giving charities include a wide range of causes, but all have one thing in common: they have supporters, like you, who care. Partners in Giving: Caring for 50 years!

I'm interested. Where do I start?
Explore this booklet to learn about the participating charitable organizations. The descriptions here were provided and approved by the corresponding umbrella groups. Visit the campaign website at giving.wi.gov for additional information, including direct links to the charities’ own websites, if available.

What are my choices?
You can give to any of the charities listed in this booklet. The following umbrella groups represent these charities:

Local/State Umbrella Groups
- United Way of Dane County
- Access to Community Services
- Hunger Relief Fund of Wisconsin (administered by Hunger Task Force, Inc.)
- Wisconsin Association for Environmental Education
- Community Health Charities
- Community Shares of Wisconsin
- EarthShare

National/International Umbrella Groups
- Global Impact
- America’s Best Charities
- America’s Charities

How do charities become eligible to participate?
Every participating charity must meet rigorous standards and pass an annual review by its umbrella organization and an eligibility committee of state and university employees. The Secretary of the Wisconsin Department of Administration gives final authorization to all participating umbrellas and charities.

To be part of this campaign, a charity must affiliate with an approved umbrella organization, then apply and meet all the requirements to participate. The campaign website (giving.wi.gov/charity-eligibility) provides more details about these requirements.

Can I specify who will receive my contribution?
Yes. The choice is yours and designations go to the charities you pick. With hundreds of choices, it’s easy to find a charity or charities with causes to support, no matter what your personal interests or beliefs. Simply select the charity or charities you wish to support and designate your contribution to them. You can select individual charities you wish to support, or you can choose to give directly to an umbrella group. (Sorry, the campaign cannot accept write-in charities. If charities you wish to support are not part of the campaign, send your donations to them directly.)

Is my contribution tax-deductible?
Yes, as allowed by law. Only umbrella groups and charities that qualify for federal tax-exempt status may participate in the campaign. Please note: The Pension Protection Act of 2006 requires taxpayers who claim deductions for charitable donations to provide proof of all contributions they be audited. Be sure to keep a copy of your pledge form for tax purposes. In addition, if you choose payroll contribution, keep copies of all pay stubs and/or other documents from your employer that indicate the amounts you have given to charities. If you contribute by check or credit card, keep all receipts, canceled checks and/or bank statements that verify the amounts and recipients of your contributions. Donors who give by check or credit card will receive a receipt for tax purposes for a single payment of $250 or more. Receipts for gifts of less than $250 are available upon request. If you have any questions about tax deductions for charitable gifts, consult a tax professional.

I'm ready. How do I give?
This year, The 2022 Partners in Giving Campaign will continue to offer virtual campaign options to help donors give safely and securely. Donors are encouraged to go online at giving.wi.gov to “give green,” save paper, and generate savings for the Campaign. Those savings can then be passed onto the eligible charities. However, paper pledge forms are still available, if you prefer that option.

To pledge online:
Visit the Partners in Giving website giving.wi.gov. Click on the “Donate Now” button at the top of the homepage and select your group from the drop-down menu. Follow the online instructions to choose your charities and donate by payroll contribution or credit card.
To pledge using a pledge form:
Paper pledge form: Go to giving.wi.gov/about-us/options-for-giving/ to print out a PDF pledge form to fill out. You can also contact your Partners in Giving Chair to determine if picking up a paper pledge form and prepaid envelope at your worksite is an option for you. Or you can request a paper pledge form be mailed to your residence by visiting giving.wi.gov/about-us/options-for-giving/ and filling out a short survey.

You may give through payroll contribution or check using a paper pledge form. Be sure to sign your form if you choose payroll contribution.

Mail your completed form to the Partners in Giving fiscal agent at the address at the bottom of the form.

Online pledge form: An online pledge form is available at giving.wi.gov/about-us/options-for-giving/. Simply complete the fillable form to donate using payroll contribution. Sign the form authorizing payroll contribution by entering your name; the form will automatically turn your name into a state-approved electronic signature. Email your completed form to the email address listed at the bottom of the form.

Retirees can obtain a paper pledge form by calling the campaign's fiscal agent at (563) 542-7917 or by visiting giving.wi.gov/about-us/options-for-giving-in-retirement.

The pledge form makes it easy for you to support your choice of charities. Simply follow these steps:

Step 1. Print your name and State Agency or UW Division and Unit at the top of the pledge form
Please complete this information when filling out your form so your gift is correctly attributed to your agency or division/unit.

Step 2. Choose your charity or charities
You can decide how your contribution is allocated by directing your gift to any combination of umbrella groups, individual charities, or the overall campaign. You may use any combination of options A, B, and C.

- Use the “A” boxes on the pledge form to contribute to one or more umbrella group(s). Specify the total annual amount in the appropriate boxes.
- Use the “B” boxes to contribute to specific charities. For each charity, write the code number (indicated next to the charity’s name in this booklet) and the total annual amount of your gift in one of the blank boxes. Do not include these amounts under option A. Use an additional pledge form if you wish to designate contributions to more than 12 individual charities.
- Use the “C” box to make a general contribution to benefit all umbrella groups and their member charities.

Step 3. Choose your method(s) of payment
Under Step 3, use line 1 to make a payroll contribution. Specify the amount to be contributed each pay period of the year and multiply by the number of pay periods that you wish to contribute. The minimum contribution per pay period is $1.

- If you are a State employee, the maximum number of pay periods is 26 if you are paid biweekly, and 12 if you are paid monthly.
- If you are a University or UW Health employee, the maximum number of pay periods is 26.

Contributions will begin with the first pay period of January 2023. (Turning in your form late may affect the January contribution.) You must sign and date this line of the pledge form to authorize a payroll contribution. For online forms, a digital signature will be entered automatically.

If you wish to donate by check, use line 2. Make checks payable to “Partners in Giving Campaign” or “State Employees Combined Campaign.” Complete the “Total Donation” line by adding the amounts in Step 3, lines 1 and 2. This amount must also equal the total of all the amounts in Step 2.

Step 4. Your name and address and Release/Acknowledgement
Clearly print your name, street address, city, and ZIP code. Unless you check the box asking the campaign NOT to release your name, your name and address will be provided to your designated charity or charities and their associated umbrella groups for acknowledgment of your gift. It is possible a charity or umbrella could publish your name as a donor.

NOTE: The Partners In Giving Board has moved to a single sheet pledge form. Please make a copy or call the Partners in Giving fiscal agent at (608) 246-4350.

Step 5. Submit pledge form
Mail your completed form to Partners In Giving, PO Box 7548, Madison, WI 53707-7548 or email it to partnersingiving@uwdc.org. If applicable, donations in the form of check or cash can be given to your on-site campaign chair.

What happens to my contribution?
Like most donors, you care about what happens to the dollars you give. This booklet, the campaign website, and other information sources can help you find out. Here are several frequently asked questions and advice on where to get answers:

How are general contributions to the campaign distributed?
A general contribution under Step 1C of the pledge form is distributed to the umbrella groups according to the percentage of money designated to each umbrella group (under Step 1A) and its member charities (under Step 1B) in the current year’s campaign. For a percentage breakdown of how general contributions were distributed in last year’s campaign, visit the Partners in Giving website at giving.wi.gov.

How does each umbrella group distribute the general contributions it receives?
The final paragraph of each umbrella description in this booklet explains how the organization distributes its contributions. Information in the IRS documents is based on the IRS guidelines defining each type of expense that are followed. While the guidelines are standard, charities and auditors may interpret them differently. If you have questions about how a specific charity spends in these areas, please contact the charity directly.

The following independent websites also offer financial and other information about charities and umbrella groups, though they do not necessarily cover every organization participating in this campaign.

Wisconsin has a proud tradition of supporting environmental education. In 1935, we became the first state to pass legislation requiring “adequate instruction in the conservation of natural resources” for certification to teach science or social studies in public schools. Today, networks of organizations work to ensure that all communities in Wisconsin, in addition to school children, have the knowledge and skills necessary to build ecologically mindful communities.

The Wisconsin Association for Environmental Education is seeking to expand the organization’s capacity this year by hiring an executive director. Your donations are especially appreciated in this time of expansion.
