PARTNERS IN GIVING: BE PART OF SOMETHING BIGGER

Nature often gives us great perspective about the world around us and our role in it. When we admire an expansive landscape, a bigger picture comes into view and we can see how we are a small yet vital part of a larger ecosystem.

Similarly, in giving, every single donation increases the collective impact we have on the people and communities served by our charitable contributions.

During the 2023 Partners in Giving ***Be Part of Something Bigger*** Campaign, we are recognizing the power individuals have as we come together to support the causes that matter most to us.

Being part of something bigger means we are not alone in our efforts to make the world a better place. It means we can rely on each other and make an even more impactful difference through our combined contributions. It means we are part of a community that is caring, committed, and generous.

Be Part of Something Bigger by joining together with thousands of your fellow State, University, and UW Health employees in donating to over 400 charities through Partners in Giving, a trusted, effective, and efficient volunteer-run campaign with low administrative costs.

Contributing is easy as you choose your charity or charities and select your preferred payment method of payroll contribution, check, or credit card.

Review the Partners in Giving website at **giving.wi.gov** for a list of this year's charities, all of which have met strict eligibility requirements and received state approval. Then, click the Donate button on our website to complete and submit your pledge. Alternatively, paper copies of booklets are available at your workplace, and you can also fill out a pledge form online or print it out.

Since 1973, employees in Dane County have contributed more than $86 million to local and global charities through the Partners in Giving Campaign. Thank you to our donors for their continued commitment and generosity over the years! Last year, more than 3,900 State, University, and UW Health employees donated over $1.9 million to local, state, national, and international charities. We hope you will join us and ***Be Part of Something Bigger*** **by being a Partner in Giving!**

I'm interested. Where do I start?

Explore this booklet to learn about the participating charitable organizations. The descriptions were provided and approved by the corresponding umbrella groups. Visit the campaign website at **giving.wi.gov** for additional information, including direct links to the charities' own websites, if available.

What are my choices?

You can give to any of the charities listed in this booklet. The following umbrella groups represent these charities:

Local/State Umbrella Groups

- Access to Community Services
- Hunger Relief Fund of Wisconsin (administered by Hunger Task Force, Inc.)
- Wisconsin Association for Environmental Education
- CHC: Creating Healthier Communities
- Community Shares of Wisconsin
- EarthShare
- United Way of Dane County

National/International Umbrella Groups

- America's Best Charities
- America's Charities
- Global Impact

How do charities become eligible to participate?

Every participating charity must meet rigorous standards and pass an annual review by its umbrella organization and an eligibility committee of state and university employees. The Secretary of the Wisconsin Department of Administration gives final authorization to all participating umbrellas and charities.

To be part of this campaign, a charity must affiliate with an approved umbrella organization, then apply and meet all the requirements to participate. The campaign website (**www.giving.wi.gov/charity-eligibility/**) provides more details about these requirements.

Can I specify who will receive my contribution?

Yes. The choice is yours and designations go to the charities you pick. With hundreds of choices, there is at least one charitable organization to suit everyone, regardless of personal interests or beliefs. Just select those you wish to support and designate your contribution to them. (Sorry, the campaign cannot accept write-in charities. If charities you wish to support are not part of the campaign, send your donations to them directly.)

Is my contribution tax-deductible?

Yes, as allowed by law. Only umbrella groups and charities that qualify for federal tax-exempt status may participate in the campaign. Please note: The Pension Protection Act of 2006 requires taxpayers who claim deductions for charitable donations to provide proof of all contributions should they be audited. Be sure to keep a copy of your pledge form for tax purposes. In addition, if you choose payroll contribution, keep copies of all pay stubs and/or other documents from your employer that indicate the amounts you have given to charities. If you contribute by check or credit card, keep all receipts, canceled checks and/or bank statements that verify the amounts and recipients of your contributions. Donors who give by check or credit card will receive a receipt for tax purposes for a single payment of $250 or more. Receipts for gifts of less than $250 are available upon request. If you have any questions about tax deductions for charitable gifts, consult a tax professional.

I'm ready. How do I give?

This year, the 2023 Partners in Giving Campaign will continue to offer virtual campaign options to help donors give safely and securely. Donors are encouraged to go online at **giving.wi.gov** to "give green", save paper, and generate significant savings for the Campaign. Those savings can then be passed onto the eligible charities. However, paper pledge forms are still available, if you prefer that option.

To pledge online:

Visit the Partners in Giving website **giving.wi.gov**. Click on the "Donate Now" button at the top of the homepage and select your group from the drop-down menu. Follow the online instructions to choose your charities and donate by payroll contribution or credit card.

To pledge using a pledge form:

Paper pledge form: Go to **giving.wi.gov/about-us/options-for-giving/** to print out a pdf pledge form to fill out. You can also contact your Partners in Giving Chair to determine if picking up a paper pledge form and prepaid envelope at your worksite is an option for you. Or you can request a paper pledge form be mailed to your residence by visiting **giving.wi.gov/about-us/options-for-giving/** and filling out a short survey.

You may give through payroll contribution or check using a paper pledge form. Be sure to sign your form if you choose payroll contribution.

Mail your completed form to the Partners in Giving fiscal agent (see Step 5 for address).

Online pledge form: An online pledge form is available at **giving.wi.gov/about-us/options-for-giving/**. Simply complete the fillable form to donate using payroll contribution. Sign the form authorizing payroll contribution by entering your name; the form will automatically turn your name into a state-approved electronic signature. Email your completed form to the email address listed at the bottom of the form.

Retirees can obtain a paper pledge form by calling the campaign's fiscal agent at (608) 246-4350 or by visiting **giving.wi.gov/about-us/giving-in-retirement**.

The pledge form makes it easy for you to support your choice of charities. Simply follow these steps:

Step 1. Print your name and State Agency or UW Division and Unit at the top of the pledge form.

Please complete this information when filling out your form so your gift is correctly attributed to your agency or division/unit.

Step 2. Choose your charity or charities

You can decide how your contribution is allocated by directing your gift to any combination of umbrella groups, individual charities, or the overall campaign. You may use any combination of options A, B, and C.

- Use the "A" boxes on the pledge form to contribute to one or more umbrella group(s). Specify the total annual amount in the appropriate boxes.
- Use the "B" boxes to contribute to specific charities. For each charity, write the code number (indicated next to the charity's name in this booklet) and the total annual amount of your gift in one of the blank boxes. Do not include these amounts under option A. Use an additional pledge form if you wish to designate contributions to more than 12 individual charities.
- Use the "C" box to make a general contribution to benefit all umbrella groups and their member charities.

Step 3. Choose your method(s) of payment

Under Step 3, use line 1 to make a payroll contribution. Specify the amount to be contributed each pay period of the year and multiply by the number of pay periods that you wish to contribute. The minimum contribution per pay period is $1.

- If you are a State employee, the maximum number of pay periods is 26 if you are paid biweekly, and 12 if you are paid monthly.
- If you are a University or UW Health employee, the maximum number of pay periods is 26.

Contributions will begin with the first pay period of January 2024. (Turning in your form late may affect the January contribution.) You must sign and date this line of the pledge form to authorize a payroll contribution. For online forms, a digital signature will be entered automatically.

If you wish to donate by check, use line 2. Make checks payable to "Partners in Giving Campaign" or "State Employees Combined Campaign." Complete the "Total Donation" line by adding the amounts in Step 3, lines 1 and 2. This amount must also equal the total of all the amounts in Step 2.

Step 4. Your name and address and Release/Acknowledgement

Clearly print your name, street address, city, and ZIP code. Unless you check the box asking the campaign NOT to release your name, your name and address will be provided to your designated charity or charities and their associated umbrella groups for acknowledgment of your gift. It is possible a charity or umbrella could publish your name as a donor.

NOTE: Partners In Giving Board has moved to a single sheet pledge form. Please make a copy or call the Partners in Giving fiscal agent at (608) 246-4350.

Step 5. Submit pledge form

Mail your completed form to Partners In Giving, PO Box 7548, Madison, WI 53707-7548 or email it to partnersingiving@uwdc.org. If applicable, donations in the form of check or cash can be given to your on-site chair.

What happens to my contribution?

Like most donors, you care about what happens to the dollars you give. This booklet, the campaign website, and other information sources can help you find out. Here are several frequently asked questions and advice on where to get answers:

How are general contributions to the campaign distributed?

A general contribution under Step 1C of the pledge form is distributed to the umbrella groups according to the percentage of money designated to each umbrella group (under Step 1A) and its member charities (under Step 1B) in the current year's campaign. For a percentage breakdown of how general contributions were distributed in last year's campaign, visit the Partners in Giving website at **giving.wi.gov**.

How does each umbrella group distribute the general contributions it receives?

The final paragraph of each umbrella description in this booklet explains how the organization distributes its designations (under Step 1A) and its share of general contributions (Step 1C). Designations to specific charities (under Step 1B) on the pledge form go to those charities.

How much do participating umbrellas and charities spend on administration and fund raising?

The Partners in Giving website at **giving.wi.gov** lists the percentages of each umbrella's budget that are devoted to administration and fund raising. To learn how much a specific charity spends in these areas, please contact the charity directly.

All charities must file annual financial reports with the Internal Revenue Service. For most charities, these documents provide a standard way of reporting each charity's program, administrative, and fund raising expenses. Information in the IRS documents is based on the charity's independently audited financial statements. The audits ensure that guidelines defining each type of expense are followed. While the guidelines are standard, charities and auditors may interpret them differently. If you have questions about how a specific charity counts its expenses, contact the charity directly.

The greatest problems facing Dane County are complex. Secure housing, livable wages, quality education, and health supports are all interconnected – without one the others fall apart. That is why we need to tackle these issues at their root, working together to ensure no wrong door for families who are striving to maximize their potential. And that is where we at United Way of Dane County come in!

Through partnerships with 53 local nonprofits, 106 programs, 500 businesses, numerous government officials, and community leaders, United Way is how our community comes together to create positive change. Centering families in everything we do, we mobilize the caring power of our community to ensure everyone in Dane County has what they need to succeed in school, work, and life.

But we couldn't do this important work without you! Every dollar donated counts. And it is our job to coordinate and amplify your impact, so that you know your money is making the biggest difference it possibly can. We hope you'll take pride in giving to us – and that you'll join in on The Power of Many. Working for All.
