BUILD A BETTER TOMORROW TOGETHER

PARTNERS IN GIVING: BUILD A BETTER TOMORROW TOGETHER

In times of uncertainty and hardship, giving becomes more than a kind gesture—it becomes a lifeline. When we choose to donate, we extend a hand not just to individuals but to entire communities striving to regain stability and hope. Each contribution, no matter the size, is a step forward on a steep path toward lasting change. Although the climb may be difficult, it becomes more possible and more powerful when we work together.

Just like scaling a mountain, reaching the summit of a better world isn't a solo journey. It takes all of us, lifting each other up, one step, one gift, and one act of compassion at a time.

Since 1973, the **Partners in Giving** campaign has raised nearly \$90 million towards local and global causes. Last year, more than 3,500 employees contributed over \$1.9 million to local, state, national, and international charities. Thank you to our donors and volunteers for their continued commitment and generosity over the years!

This year, more than 400 charities will receive support because of the generosity of State, Universities of Wisconsin, and UW Health employees.

Be part of the effort to **Build a Better Tomorrow Together**. Please consider a gift which is significant and meaningful to you. Show your support for a cause which speaks to your values and, in the spirit of teamwork: ask a colleague if they would be willing to join you.

Giving is simple and flexible. Choose the charities that matter most to you from a vetted list that meets strict eligibility and state approval standards. Then, select the payment method that works best—payroll contribution, check, or credit card.

To get started, visit **giving.wi.gov**. Click your employee group under the Donate button to complete your pledge online. Prefer paper? Booklets and forms are available at your workplace, or you can download and print a pledge form from the website.

It's easy to make a difference. However you give, you're helping to **Build a Better Tomorrow Together!**

I'm interested. Where do I start?

Explore this booklet to learn about the participating charitable organizations. The descriptions were provided and approved by the corresponding umbrella groups. Visit the campaign website at giving.wi.gov for additional information, including direct links to the charities' own websites.

What are my choices?

You can give to any of the charities listed in this booklet. The following umbrella groups represent these charities:

Local/State Umbrella Groups

- Wisconsin Association for Environmental Education
- Community Shares of Wisconsin
- United Way of Dane County
- United Way Greater Milwaukee & Waukesha County
- United Performing Arts Fund
- Hunger Relief Fund of Wisconsin (administered by Hunger Task Force, Inc.)

National/International Umbrella Groups

- Global Impact
- America's Best Charities
- CHC: Creating Healthier Communities
- EarthShare
- America's Charities

How do charities become eligible to participate?

Every participating charity must meet rigorous standards and pass an annual review by its umbrella organization and an eligibility committee of state and university employees. The Secretary of the Wisconsin Department of Administration gives final authorization to all participating umbrellas and charities.

To be part of this campaign, a charity must affiliate with an approved umbrella organization, then apply and meet all the requirements to participate. The campaign website provides more details about these requirements.

Can I specify who will receive my contribution?

Yes. The choice is yours and designations go to the charities you pick. With hundreds of choices, there is at least one charitable organization to suit everyone, regardless of personal interests or beliefs. Just select those you wish to support and designate your contribution to them. (Sorry, the campaign cannot accept write-in charities. If charities you wish to support are not part of the campaign, send your donations to them directly.)

Is my contribution tax-deductible?

Yes, as allowed by law. Only umbrella groups and charities that qualify for federal tax-exempt status may participate in the campaign. Please note: The Pension Protection Act of 2006 requires taxpayers who claim deductions for charitable donations to provide proof of all contributions should they be audited. Be sure to keep a copy of your pledge form for tax purposes. In addition, if you choose payroll contribution, keep copies of all pay stubs and/or other documents from your employer that indicate the amounts you have given to charities. If you contribute by check or credit card, keep all receipts, canceled checks and/or bank statements that verify the amounts and recipients of your contributions. Donors who give by check or credit card will receive a receipt for tax purposes for a single payment of \$250 or more. Receipts for gifts of less than \$250 are available upon request. If you have any questions about tax deductions for charitable gifts, consult a tax professional.

I'm ready. How do I give?

The Partners in Giving Campaign encourages donors to give safely and securely online at giving.wi.gov. However, paper pledge forms are still available, if you prefer that option.

To pledge online:

Visit the Partners in Giving website giving.wi.gov. Click on your employee group below the Donate button in the top right corner of the homepage. Follow the online instructions to choose your charities and donate by payroll contribution or credit card.

To pledge using a pledge form:

Paper pledge form:

Go to giving.wi.gov/options-for-giving/ to print out a pdf pledge form to fill out. You can also contact your Partners in Giving Chair to determine if picking up a paper pledge form at your worksite is an option for you. Or you can request a paper pledge form be mailed to your residence by visiting giving.wi.gov/options-for-giving/ and filling out a short survey.

You may give through payroll contribution or check using a paper pledge form. Be sure to sign your form if you choose payroll contribution.

Mail your completed form to the Partners in Giving fiscal agent (see Step 5 for address).

Online pledge form:

An online pledge form is available at giving.wi.gov/options-for-giving/. Simply complete the fillable form to donate using payroll contribution. Sign the form authorizing payroll contribution by entering your name; the form will automatically turn your name into a state-approved electronic signature. Email your completed form to the email address listed at the bottom of the form.

Retirees can obtain a paper pledge form by calling the campaign's fiscal agent at (608) 246-4350 or by visiting giving.wi.gov/options-for-giving/.

The pledge form makes it easy for you to support your choice of charities. Simply follow these steps:

Step 1. Print your name and State Agency or UW Division and Unit at the top of the pledge form.

Please complete this information when filling out your form so your gift is correctly attributed to your agency or division/unit.

Step 2. Choose your charity or charities

You can decide how your contribution is allocated by directing your gift to any combination of umbrella groups, individual charities, or the overall campaign. You may use any combination of options A, B, and C.

- Use the "A" boxes on the pledge form to contribute to one or more umbrella group(s). Specify the total annual amount in the appropriate boxes.

- Use the "B" boxes to contribute to specific charities. For each charity, write the code number (indicated next to the charity's name in this booklet) and the total annual amount of your gift in one of the blank boxes. Do not include these amounts under option A. Use an additional pledge form if you wish to designate contributions to more than 12 individual charities.
- Use the "C" box to make a general contribution to benefit all umbrella groups and their member charities.

Step 3. Choose your method(s) of payment

Under Step 3, use line 1 to make a payroll contribution. Specify the amount to be contributed each pay period of the year and multiply by the number of pay periods that you wish to contribute. The minimum contribution per pay period is \$1.

- If you are a State employee, the maximum number of pay periods is 26 if you are paid biweekly, and 12 if you are paid monthly.
- If you are a University or UW Health employee, the maximum number of pay periods is 26.

Contributions will begin with the first pay period of January 2026. (Turning in your form late may affect the January contribution.) You must sign and date this line of the pledge form to authorize a payroll contribution. For online forms, a digital signature will be entered automatically.

If you wish to donate by check, use line 2. Make checks payable to "Partners in Giving Campaign" or "State Employees Combined Campaign." Complete the "Total Donation" line by adding the amounts in Step 3, lines 1 and 2. This amount must also equal the total of all the amounts in Step 2.

Step 4. Your name, personal information, and Release/Acknowledgment

Clearly print your name, personal email, street address, city, and ZIP code. Unless you check the box asking the campaign NOT to release your name, your name, personal email, and address will be provided to your designated charity or charities and their associated umbrella groups for acknowledgment of your gift. It is possible a charity or umbrella could publish your name as a donor.

Step 5. Submit pledge form

Mail your completed form to Partners In Giving, PO Box 7548, Madison, WI 53707-7548 or email it to partnersingiving@uwdc.org. If applicable, donations in the form of check or cash can be given to your on-site chair.

What happens to my contribution?

Like most donors, you care about what happens to the dollars you give. This booklet, the campaign website, and other information sources can help you find out. Here are several frequently asked questions and advice on where to get answers:

How are general contributions to the campaign distributed?

A general contribution under Step 1C of the pledge form is distributed to the umbrella groups according to the percentage of money designated to each umbrella group (under Step 1A) and its member charities (under Step 1B) in the current year's campaign. For a percentage breakdown of how general contributions were distributed in last year's campaign, visit the Partners in Giving website at giving.wi.gov.

How does each umbrella group distribute the general contributions it receives?

The final paragraph of each umbrella description in this booklet explains how the organization distributes its designations (under Step 1A) and its share of general contributions (Step 1C). Designations to specific charities (under Step 1B) on the pledge form go to those charities.

How much do participating umbrellas and charities spend on administration and fund raising?

The Partners in Giving website at giving.wi.gov lists the percentages of each umbrella's budget that are devoted to administration and fund raising. To learn how much a specific charity spends in these areas, please contact the charity directly.

All charities must file annual financial reports with the Internal Revenue Service. For most charities, these documents provide a standard way of reporting each charity's program, administrative, and fund raising expenses. Information in the IRS

documents is based on the charity's independently audited financial statements. The audits ensure that guidelines defining each type of expense are followed. While the guidelines are standard, charities and auditors may interpret them differently. If you have questions about how a specific charity counts its expenses, contact the charity directly.

The following independent websites also offer financial and other information about charities and umbrella groups, though they do not necessarily cover every organization participating in this campaign.

Wisconsin has long been a national leader in environmental education. From hands-on youth programming to community-based training in climate resilience, our member charities create lasting change.
